

Announcement

The Ministry of Electricity, Water, and Renewable Energy announces the launch of the practices listed below. The practice documents can be obtained electronically from the website: <https://eprocurement.mew.gov.kw>.

- Launch Date: 16/11/2025
- Closing Date: 02/12/2025
- Document Price: As stated on the website and in the attached table.
- Bid Bond: As stated on the website and in the attached table, valid for 90 days in favor of the Ministry of Electricity, Water, and Renewable Energy, and is non-refundable.
- Bid Submission Deadline: 10:30 AM on the closing date specified herein. Any bid submitted thereafter shall not be accepted.
- The specified fee must be paid electronically through the website.
- A valid Certificate of National Labor Percentage Compliance, issued by the Ministry of Social Affairs and Labor, must be attached to the bid.
- Bids must be submitted with an attached certificate from the Kuwait Chamber of Commerce and Industry, indicating the company's registration for the year 2025/2026.
- The documents shall be placed in a sealed envelope, stamped with red wax, and clearly marked with the practice number and subject. The envelope shall be deposited in the bid box located at the Procurement and Supply Department, on the Ground Floor of the main building of the Ministry of Electricity, Water, and Renewable Energy, South Surra, Sixth Ring Road.
- This announcement is considered an integral part of the practice documents.
- For additional information and other terms and conditions, please visit the website of the (Ministry of Electricity, Water, and Renewable Energy - Procurement Department): <https://eprocurement.mew.gov.kw>.

No.	Practice No.	Description	Fees	Bid Bond
1.	14182	Required: Transformer oil for generators, to be ordered and supplied to the Electrical Maintenance Warehouses at Sabiya Power Station.	10.000	1500.000
2.	14180	Required: Spare parts for circuit breakers of combined-cycle gas turbine generators, to be ordered and supplied to the Electrical Maintenance Warehouses at Sabiya Power Station.	7.000	600.000
3.	14169	Required: Spare parts for Siemens gas generator lighting systems, to be ordered and supplied to the Electrical Maintenance Warehouses at Sabiya Power Station.	7.000	600.000
4.	14176	Required: Spare parts for system control motors, to be ordered and supplied to the Electrical Maintenance Warehouses at Sabiya Power Station.	10.000	1500.000
5.	14177	Required: Spare parts for continuous injection pumps for the chlorine plant.	10.000	1500.000
6.	14178	Required: Spare parts for the distilled water pump for distillation units P4 (A1 – A4) – Mechanical Maintenance Control – Shuaiba South Power Station.	10.000	1500.000
7.	14179	Required: Oil for top-up purposes for the lubrication and cooling system of electric generators, to be ordered and supplied to the Electrical Maintenance Warehouses at Sabiya Power Station.	10.000	1500.000

8.	14172	Required: Spare parts for a control valve positioner for distillers at Shuaiba Steam Power Station.	7.000	600.000
9.	14171	Required: Materials for 415 Volt low-voltage circuit breakers for the distillation plant.	7.000	600.000
10.	14170	Required: Silicone oil for low-voltage transformers connected to the station's control system, to be ordered and supplied to the Electrical Maintenance Warehouses at Sabiya Power Station.	10.000	1500.000
11.	13802	Request for the purchase of special air filters for cooling units in the first-stage combined-cycle gas turbines at Zour South Power Station.	10.000	1500.000
12.	13854	Required: Anti-seize compounds for the internal parts of steam turbines and their valves.	7.000	600.000
